BODY MECHANICS AND TOOLS

Total commitment to the Golden Rules

Design and Production: www.beause.fr - Photo credit: J. Lutz © TOTAL - March 2017

YOU MUST:

- Use the tools specified in the work permit or procedures and adapt your body mechanics to the tool rating and repetitive nature of the task.

YOU MUST NOT:

- Use defective tools or tools not intended for the task or the area where the work is being performed.
- Use a tool, including those for pressure tests, under conditions that exceed the manufacturer's specified design limits.
